Be Extraordinary!

SkillsUSA North Carolina invites you to be extraordinary at the SkillsUSA North Carolina Postsecondary Leadership Conference. We are inviting all Postsecondary members from across the state to a day of **Leadership, Team Building, and Personal Development** training that will prepare them to lead their chapters and their communities.

Student Workshops

Students will experience workshops that will hone their leadership skills, not only as local SkillsUSA members, but as leaders in the workforce. Students will walk out with a plan that will allow their chapter to gain state-wide recognition. They will understand how to lead their local chapter and provide growth opportunities for their fellow members. Topics covered include:

- Facilitating Leadership
- Building Effective Teams
- Develop Chapter Officers
- Becoming a State Officer
- Effective Chapter Meetings
- Connecting Your Framework
- Public Speaking
- Chapter Excellence Program
