LEADERSHIP & SKILLS CONFERENCE

PREPARING
AMERICA'S
SKILLED
WORKFORCE

April 26-28
2017
Greensboro, NC

Welcome to the 2017 State Conference!

Last year we celebrated a year of incredible growth, with record attendance and membership. You weren't to be outdone. This year you exceeded last years' growth in membership and conference attendance. Thanks to you, we have reached 4,937 members and have a record 2,656 participants competing in 110 contests at this conference.

We would like to thank all of those who have helped make this 52nd annual conference possible. Many champions have worked together to ensure the success of this event. We would like to express a very special "Thank you" to all of our business and industry partners for their donations of time, equipment, money, prizes, and personnel. We would also like to thank all of our SkillsUSA regional chairpersons, advisors, and officers for planning and directing regional activities, along with the 5 community colleges that helped make our regional events possible. Other special thanks go to Jo Anne Honeycutt, Director of Career and Technical Education; Trey Michael, Section Chief of Student Certification and Credentialing; and our Trade and Industrial Education Consultants Dr. David Barbour, Jim Pressly, and Craig Pendergraft for their support of all the Career and Technical Student Organizations. We also want to thank each of our State Officers for their hard work and dedicated service. Most importantly, we want to thank YOU! Without your participation and involvement, none of this would be possible!

We hope you all enjoy this year's State Conference and we wish all of those who are competing or running for leadership positions the best of luck. Thank you for being such great Champions for SkillsUSA!

Sincerely,

Peyton Holland
Executive Director
